

Enjoy exciting live entertainment by Colorado Swing

Colorado Swing features a full-size big band that creates that exciting sound you rarely hear anymore. Our big band is a great choice for a Gala fundraiser, Business celebration, authentic 1940s Big Band Era event or Summer Festival.

Colorado Swing also offers a smaller dance orchestra that is just the right size for a smaller venue. This group is a great choice for your wedding reception, ballroom dance, Mardi Gras, Great Gatsby, retirement, birthday or holiday party.

Both groups perform an exciting variety of great music including classic Big Band Era, Las Vegas , and Broadway show standards as well as popular music arrangements from contemporary artists. We can tailor the music theme for your event to include, swing, blues, roaring 20s, and cocktail jazz in addition to the expected ballroom and swing dance standards.

We feature the area's top musical talent including great vocal artists.

Colorado Swing has great references from our many happy customers! Our music repertoire includes a wide variety of styles and arrangements. Colorado Swing can help promote your public fundraiser, dance, special event, or summer festival with our extensive social media reach and our proprietary mailing list of friends, dancers, music lovers, and fans who want to know about and attend our upcoming performances.

Colorado Swing music performances are available to view right now at:
